UNLEASHING HOPE IN TEENS EVERYWHERE

THE WELL NETWORK

*The Well Ministries dba The Well TreeHouse Network is the parent 501c3 non-profit providing resources & staffing for all TreeHouse locations across Scott & Le Sueur County.*

Hello friends!

July 6, 2026

Summer is our time to take a break from normal support groups and provide teens with the opportunity to connect, have some fun, and make new friends! Coming up July 29th, TreeHouse students will be tubing the Cannon River at Welch, MN, weather permitting! This is annual thing! On Aug. 4th, all our TreeHouse locations come together as one at Cleary Lake Regional Park near Prior Lake for paddle-boating, sand volleyball, a nature hike, a picnic and a bonfire with s'mores! This is sponsored in-part by Three Rivers Park District Parks Wellness Program. Fun times! We are exploring a few more things such as fishing at Cedar Lake, a movie night, etc. If you would like to help financially to support our activities and programs, please use the QR code below...**The Power of Connection** fundraiser at [givebutter.com](https://givebutter.com) (no fees).

Thank you to everyone that attended our annual fundraiser on April 30th! This year, we hosted something a bit different, TRIVIA NIGHT! A 70,80,90's Theme! Ridges of Sand Creek Golf Club hosted our event. We enjoyed a fabulous pasta buffet, yummy dessert from Sugar Rose Bakeshop, a HUGE thank you to all that attended, to businesses and individuals that sponsored the event and donated our raffle items and giveaways! Great time had by all!

Our Trivia Night Host, Kaula Rykes & Costume Contest Winner, Angie Musil

This fall...I look forward to reducing my hours and taking a more behind the scenes approach to the ministry...not sure I will ever retire but this sounds good! Over the years, we have built an awesome, dedicated, compassionate & caring group of volunteers that are ready for more! My heart is full! We will be making a few changes: (1) We will combine our Shakopee, Savage, and Prior Lake TreeHouse students into one large group! We will continue to meet at Shepherd of the Lake Church, located at 3611 N. Berens Rd NW, Prior Lake. SOLLC is a wonderful, large facility in a central location and have been gracious & so very awesome to work with! Tuesdays 6:30pm. New Prague AREA TreeHouse will offer support groups and hang-out time at the Duck Cup Memorial Bldg located at 102 Main St E, Tuesdays 6:30pm. We will also reintroduce CHILLZONE, our after-school program along with a brand new beverage & coffee bar! Open Tuesdays, 3:30-6:30pm prior to TreeHouse for students 7th-12th grade.

Our Le Sueur TreeHouse location is in transition. We are seeking additional volunteers or a part-time paid staff person to oversee the program there. Please reach out to me for more information. [Deb@scottcountytreetreehouse.org](mailto:Deb@scottcountytreetreehouse.org) or 952.412.4430.

TreeHouse Key Program Initiatives will see growth this fall. We plan to strengthen and expand our service areas across Scott & Le Sueur Counties. We plan to offer more in-school time support groups, grow our 1:1 mentoring program so it remains a core element of our approach. After four years in Scott County middle-high schools, our truancy prevention program, P.A.T.H. (Promoting Attendance Through Hope) will be offered to any student enrolled in TreeHouse along with basic academic assistance. This September, we will again partner with Mosaic Family Services, LLC to provide a Parent Support & Empowerment group. Please check our website at [TreeHousePath.com](https://TreeHousePath.com) for more program details.

By improving our programs, we enhance our support for students & families facing unique challenges. We focus on nurturing growth, building relationships, & strengthening foundations to empower every student & help them embrace TreeHouse's three core truths: We aim for every teen to know and believe; 1) I am loveable, capable, & worthwhile, 2) I am loved without strings & never alone, 3) I have a future.

GOD IS SO GOOD! With Gratitude!  
Deb & Jim Bodensteiner &
